

# Bethel Park School District

Dear Parents/Guardians,

As many of you know, the Bethel Park School District has purchased subscriptions to Online Edition of your textbooks for Science in Grades 1-4, and for Social Studies in Grade 4. The Harcourt Brace e-books feature the student edition pages plus a variety of dynamic and engaging resources to enhance students' learning experiences. We are excited about the extensions of learning that can take place, without even taking your book home from school. The e-books provide interactive graphics, animations, along with audio, vocabulary words, and printable pages to support learning.

As a student in our elementary schools, the following log-in and password will allow you to access your current textbooks from home (or any computer) via the website.

The directions are simple:

Go to [www.eharcourtschool.com](http://www.eharcourtschool.com),

**Enter your User Name:**

	User Name	First Name	Last Name	School	Status
Grade 1 user	MSTUDENT12	Mem	Student	Bethel Memorial Elem School	Active

**Type your password: ebooks**

**Select your on screen textbook by pointing and clicking on it.**

**Follow directions below.**

**There are three ways to navigate through your Science eBooks:**

## **USE THE CONTENT TAB**

Click the *Contents* tab to pull up the table of contents. Click the arrows to show links to specific sections of the book. Click the blue selection that you wish to see. Use the *Next* and *Previous* buttons at the top of the page to move through the eBook. To see a specific textbook page, type the page number in the box and click *Go*.

## **USE THE STUDENT EDITION TAB**

Click the *Student Edition* tab to view the first page of the eBook. Use the *Next* and *Previous* buttons at the top of the page to move through the eBook. To see a specific textbook page, type the page number in the box and click *Go*.

## **USE THE DROP-DOWN MENUS**

On the top of the page, you will find two drop-down menus. First, use the left menu to choose your chapter or unit. Then, use the right menu to choose the section of the chapter or unit you wish to view. Use the *Next* and *Previous* buttons at the top of the page to move through the eBook. To see a specific textbook page, type the page number in the box and click *Go*.

We hope that you and your family enjoy this opportunity to use technology to learn. If you have any questions, please contact your child's teacher or the principal.
